### **Eight Point Wind Energy Center – Steuben County, New York**

#### **Notice of Petition to Amend Certificate**

Eight Point Wind, LLC (the “Certificate Holder”), a subsidiary of NextEra Energy Resources, LLC, received a Certificate of Environmental Compatibility and Public Need, with Conditions, (“Certificate”) for the Eight Point Wind Energy Center (the “Project”) on August 20, 2019 (Case No. 16-F-0062). The Certificate authorizes the construction and operation of a 101.8 MW wind farm generating facility in the Towns of Greenwood and West Union, Steuben County, New York. This Notice announces that on or about February 22, 2021, the Certificate Holder will file an Amendment to the Certificate pursuant to NYCRR § 1000.16 seeking a modification to the Certificate from the New York State Board on Electric Generation Siting and the Environment (“Siting Board”). The modifications include employing more efficient, updated wind turbine technology that would result in moderately taller turbines, shifts for a portion of the turbines within the previously-approved locations, and associated shifts in access roads, and collection routes.
